

South Windsor Veterinary Clinic Wellness Packages

"Golden Years" Wellness Package:

Did you know your dog is considered a senior at 7? At South Windsor Veterinary Clinic it is important to us that our older guys/gals get just as much attention as our youngsters. Because our beloved pets age faster than us, it is imperative that we examine them every 6 months. Seeing them more often allows us to diagnose and manage anything that might arise due to old age.

Our "Golden Years" Package Includes:

- (2) Wellness Exams
- 1 set of baseline Radiographs
- 1 Ultrasound Scan
- 3 Year Rabies Vaccine
- 3 Year DA2PP Vaccine
- 1 Year Bordetella Vaccine
- 1 Year Lyme Vaccine
- 1 Year Leptospirosis Vaccine
- 1 Year Canine Influenza Vaccine
- Complete Lab Analysis
- (2) ProHeart 6 Injections
- 12 Months Nexgard
- (1) Blood Pressure Screening
- (6) Nail Trims

This package is good for **twelve months**. All services must be completed by this time to be included.

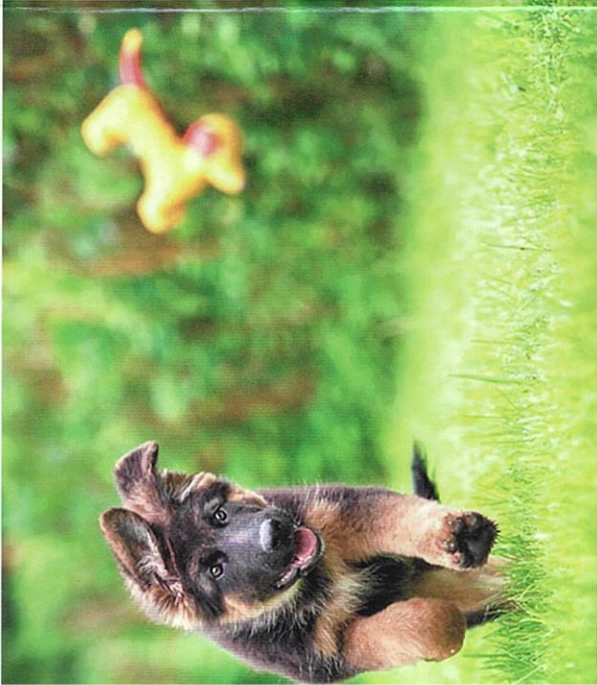

"Optimal Care" Adult Wellness Package:

All of us here at South Windsor Veterinary Clinic value the relationship between you and your pet. And let's be honest-WE LOVE PETS! And besides that, we are dedicated to helping you care for your family member with proper medical care, expert training advice and most important- a lasting healthy relationship between your family, your pet and us, your neighborhood vet!

"Optimal Care" Plan Includes:
