**"Golden Years" Senior Feline Package:**

Did you know that your cat is considered a senior at 7? At South Windsor Veterinary Clinic it is important to us that our older guys/gals get just as much attention as our youngsters. Because our beloved pets age faster than we do, it is imperative that we examine them every 6 months. Seeing them more often allows us to diagnose and manage anything that might arise due to old age.

**Included in our "Golden Years" Wellness Package:**
